In the Art Bar Gallery: Deirdre Czoberek

Deirdre finds her natural surroundings most inspiring and engaging. While observing the interesting shapes and textures in the soft beauty of the Northwest landscape, she often finds that inspiration flowing out from her brush and onto the painting surface. At the same time, her work is purely spontaneous, relying on the inter-relationships of color and form to create the ambience in her paintings.

 Artist reception December 2, 5:30 to 7:30.
