The Lincoln Theatre is a spectacular site for the wedding of your dreams. The Lincoln rolls out the red carpet with a staff that bends over backwards to make your special day dramatic and loads of fun. The historic gem of a theatre has character, lots of room, a great location, and that "certain something" that will make your wedding stand out and create terrific memories.

"The Lincoln made our wedding unique and special, giving us our own show and capturing our love on stage in ways we never could have expected. They went above and beyond in making us feel like stars. It was the perfect day."
