

## Sensory Friendly Movies at the Lincoln Theatre

Welcome to the Lincoln Theatre in downtown Mount Vernon.

We are showing movies for the entire family to enjoy together.

This is where you buy your ticket for the movie.  
The doors to enter are behind the ticket booth.  
Going to a movie can be fun.

The lobby is small and it can be busy  
before and after the movie.

If you need a break from the lights and sounds during the  
movie there is a quiet space in the lobby you can go to.

**The Concession stand has candy, pop, juices and popcorn to take into the movie.**

**If you are attending Sack Lunch Cinema, you can also bring your own snacks to the theater.**

**The accessible bathrooms are in the lobby.**

**Someone is always there to help you find them.**

**This ramp takes you to the seats.  
A volunteer can help you find a place to sit.**

**It will not be dark in the theatre.  
The sound will be turned down.  
If it gets too loud, headphones can help with that.**

**There are many seats in the theater.  
The screen is easy to see from any seat.  
There is room to walk around, jump, and dance also.**

**Here is a section for family members who use a  
wheelchair or like to stand.  
Other family members can sit in front of this area.**

## My SensoryTools\*(examples)

## At the Lincoln Theatre

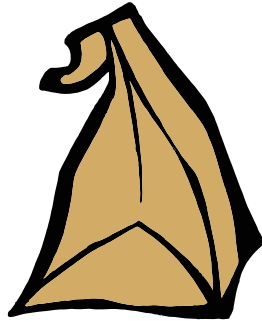

Closed Captioning device

**You can bring your own small sensory tools or borrow devices from the Lincoln Theatre.  
(\*please no putty or tools that can leak)**

**When the movie is over you will leave through the same doors you came in.  
We hope you have a good time and come back to see more movies at the Lincoln Theatre!**
